

West Moreton Older Persons Care Collaborative

Express your interest

Darling Downs and West Moreton PHN and West Moreton Health are committed to establishing a West Moreton Older Persons Care Collaborative in 2021, with all relevant stakeholders and partners within the region. Be part of creating a sustainable, integrated, outcomes focused, value-based healthcare service as the population of older people in West Moreton increases.

WEST MORETON REGION PREDICTED GROWTH

By 2026, 67.2% increase
people aged 65-74

By 2026, 103.5% increase
people aged 75+

By 2031, > 46,000 more
people aged 65+

All relevant partners and stakeholders within the region will be invited to join the West Moreton Older Persons Care Collaborative:

JOIN THE CONVERSATION

Join us and share your experiences of West Moreton's health services. Your contribution will guide how healthcare is delivered locally.

Further information will be provided through an invitation closer to this date.

DATE: Tuesday, 23 February 2021

For more information and to express your interest, contact the West Moreton Health Strategic Projects and Planning Team via email WM_StrategicProjectsAndPlanning@health.qld.gov.au
